The Prophetic Judgment Of My Catholic Church Of Idolatry

"To My Catholic Church: I detest the kind of services performed in your temples and cathedrals of wickedness, for I Am not in it. The deeds of the Nicolaitans are detestable to Me, for I hate those kinds of services of evil. What do they have to do with Me, says Jesus Christ, your Savior? Every day and on Sundays multitudes worship Mary– I said to not do that with vain repetitions. Mary cannot save you for she is only a human and not a God like Me. I Am Jesus Christ– come out of Babylon, My people, the worship of idols and things detestable to Me, your Savior. Only in rejecting the wicked Roman Catholic Church and coming out of her can you be saved for only I forgive sins, not your priest. The idolatry of the ages and the worship of Satan is contained in that wicked Church, My son, for it is made up of man-made commandments, like the Pharisees of old with their wicked traditions, My son. In fact, all is detestable unto Me, your LORD, for what the wicked Roman Catholic Church has to offer– idolatry and Satan worship– in fact, that is all it is– gross idolatry and Satanism. Come out of her, My people, for great will be her destruction by My Hand, says the LORD. It is prepared– destruction by My wrath, and the Roman Catholic system will be no more, obliterated by My hand, says the LORD Jesus Christ. So repent to Me, and come out of her, My people, for great will be her destruction, says your LORD Jesus Christ. Amen and amen."
